

Dear Friend of the Texas GATORFEST,

We are thrilled to connect with you on behalf of the Texas Gatorfest, an annual celebration that showcases the vibrant culture and wildlife of Anahuac, TX. We invite you to join us from September 11-13, 2026, at Fort Park, where the stunning views of the Trinity River and Trinity Bay will serve as the perfect backdrop for our festivities.

The Texas Gatorfest is a distinctive event that highlights the American alligator while proudly positioning Anahuac as the alligator capital of Texas. Our festival features an exciting lineup of activities for everyone, including local art and craft vendors, mouthwatering food options, exhilarating airboat rides, a fun-filled carnival, and much more. Set within Fort Park, a site of historical significance where the first shots of the Texas Revolution were fired, the festival offers a unique blend of history and celebration.

One of the highlights of the festival is the Great Texas Alligator Roundup, where hunters showcase their harvested alligators in a friendly competition for cash prizes. This thrilling event draws participants and spectators from near and far, creating a sense of community and excitement that benefits our local economy.

As part of our mission, we are dedicated to giving back to our community, with a special focus on empowering our youth. We believe that by providing opportunities for young people to engage in meaningful activities, we are fostering a future generation of leaders and innovators. The Texas Gatorfest not only entertains but also plays a crucial role in cultivating a strong sense of community pride and involvement.

We are reaching out to you to seek your support as a sponsor of the Texas Gatorfest. Your partnership will help ensure the success of this year's festival while making a positive impact on our community and its members.

Thank you for considering this opportunity to support the Texas Gatorfest. We look forward to the possibility of collaborating with you to make this year's event truly extraordinary!

Best regards,

Willie Lancon
