## FOR IMMEDIATE RELEASE

Texas Gatorfest Announces Temporary Closure of Airboat Ride Path/Area at Fort Anahuac Park

Anahuac, TX- 08/21/23: Texas Gatorfest, is committed to ensuring the safety and enjoyment of all its participants. In light of this commitment, Texas Gatorfest has successfully obtained approval from the Chambers County Commissioners court to temporarily close the airboat ride path/area at Fort Anahuac Park.

The closure, which is scheduled to take effect from midnight on Thursday, September 15, through Sunday, September 17, at 7pm, is primarily aimed at ensuring the safety of airboat captains, patrons, and other boaters. By temporarily closing the airboat ride path/area, we aim to minimize potential risks and create a secure environment for everyone involved.

During this period, Texas Gatorfest will be implementing clear and visible signage to inform outside boaters of the boundaries and the temporary closure. We kindly request all boaters to respect these boundaries and cooperate with the closure for the safety and well-being of all.

Texas Gatorfest values the support of its patrons, and we apologize for any inconvenience caused by this temporary closure. However, we firmly believe that safety should always be our top priority, and we are committed to taking all necessary measures to ensure a secure and enjoyable experience for everyone.

We would like to express our gratitude to the Chambers County Commissioners court for their cooperation and support in approving this temporary closure. We are grateful for their partnership in making Texas Gatorfest a safe and memorable event.

For further updates and information regarding the temporary closure of the airboat ride path/area at Fort Anahuac Park, please contact the TGF Office.
